WHO WE ARE

AFEF is a non-profit 501(c) (3) organization dedicated to increasing families' knowledge and ability to care for children with autism.

Our Purpose:

To provide funds for families in need who are raising a child diagnosed with Autism Spectrum Disorders (ASD) or another developmental disability.

Scholarships provide assistance to attend South Carolina and Western North Carolina autism educational conferences and seminars at little to no cost. These educational opportunities help address the special needs of the child and reduce the stress that can occur in families. The goal is to ultimately improve the quality of lives through education.

Information for Applicants

- A recognized autism organization or an Autism Family Education Fund Board Member can elect a parent for assistance with registration fees and cost associated with attending. Families can also apply independently by providing information to qualify need.
- Sponsorship pays the majority of the registration fees. Sponsored families will be required to pay a nominal portion of registration fees based on cost of the conference.
- Applications should be submitted at least thirty (30) days before the educational event being applied for takes place.

Quotes From Recipients:

"My husband Michael and I attended our first autism conference ever, partly due to the scholarship from the Autism Family Education Fund. It meant so much to my Michael and I that there was support for deserving family members, affected by autism. We made some great connections and left feeling encouraged for what the future holds!"

-Marianne Koehl, 2018 Recipient

"I did a lot of reading and research when my son was first diagnosed with autism. four years ago, so the experts at the autism conference really brought me up to speed with the latest scientific research and information. They pointed me to the resources I need to help my son. I walked away with information and ideas that I can use throughout the entire year. I thank Autism Family Education Fund for this opportunity."

-M.J. Simpson, 2018 Recipient
